Standings

Standings will be based on each team's win-loss-tie record throughout the preliminary games. At the completion of the preliminary games, points will be added to determine which teams will continue into the playoffs. Using a 10-point scoring system, points will be awarded as follows:

- 6 points for a win;
- 3 point for a tie;
- 0 points for a loss;
- 1 point per goal (3 Maximum);
- 1 point for a shutout.

Tiebreakers

If there is a tie in points in the standings at the conclusion of the group stage, tiebreakers will be used in the following order to determine which team advances:

- Head to Head: Team 1 and Team 3 have the highest points in a given bracket; however Team 1 beat Team 3 during the preliminary round. Team 1 will advance.
- If the teams are still tied, the team that allowed the fewest goals over the first five games will advance.
- Goal Differential: the team with the higher goal differential (goals scored minus goals allowed) in the games will advance.
- If teams are still tied, a penalty kick shootout will determine who advances. Before the shootout, each team must designate seven players who are eligible to take the kicks.

Playoff Rules

- In the event of a tie, a 5-minute golden goal will be played. If there is no winner at the end of that period, a penalty kick shootout will take place in accordance with the rules below.
- From the team of players that is on the field at the end of overtime, five (no more than three of either gender) will be chosen to kick.

- If at the end of these five rounds of kicks the teams have scored an equal number of goals, sudden death rounds of one kick each are used until one side scores and the other does not. No player may kick again until every player who ended the game on the field has taken a kick.
- The penalty kick session will only include players that were on the field at the end of regulation play.

Players wearing any of the above illegal equipment shall be required to substitute out by the referee.
- Each game will consist of one 25-minute period. The schedule may be condensed for weather related reasons.
- The offside rule will not be enforced. However, in the spirit of the game, persistent cherry-picking will not be allowed. The referee will use discretion to warn these players of unsportsmanlike behavior.
- **THERE IS NO SLIDE TACKLING.** If a player slide tackles and the slide results in a foul, a direct free kick will be awarded, and if warranted, a yellow/red card will be issued. If there is a slide tackle committed without a foul, an indirect freekick will be awarded to the opposing team and a warning will be issued to that player for the first infringement, and a yellow card will be issued to that player for any further slide tackles.

Red Cards

If a player receives a red card, he/she is ineligible for the team's next game. If a team receives 4 red cards in a game, they forfeit.

- The player entering the game and the player exiting do so at midfield.
- The player coming into the game yells "sub" upon entering
- The player exiting the game raises his or her hand

 - o Failure to substitute properly will result in a yellow card for the player entering the game
 - o If a substituting player touches the ball or interferes with an opponent before leaving the field (examples: touches the ball; runs a pick of an opponent; distracts play with a word or gesture), the opponent is awarded an indirect free kick from the last spot where the ball was played – in addition to the violating player receiving a yellow card.

Any number of substitutions can be made during any dead ball (goal kick, kickoff, throw-in, corner kick, indirect kick) except for penalty kicks, when no substitutions can be made.

Throw-ins

- **Standard throw-ins will be used.** Please note that this is a change from past years, when kick-ins were used.

No Punting OR dropkicks

- Goalies are not allowed to punt or dropkick the ball. They must throw the ball or play it from the ground. If a goalie punts/dropkicks the ball, the opposing team will be awarded an indirect freekick from the spot of the kick.
- There are no restrictions on how far a goalie can throw the ball or play it from the ground, and there are no restrictions on the length of a goal kick either.

All games will be officiated by USSF and/or VHSL certified referees. A majority of the referees during the tournament have donated their time to DC SCORES.

E. INCLEMENT WEATHER

In the event of inclement weather, the Tournament Committee will have the authority to change games as follows:

- A. Relocate or reschedule any game(s)
- B. Change the duration of any game(s)
- C. Cancel any game(s)

If the game is more than half over (13th minute and on), the team winning at that time will be deemed the winner of that game. If the game is in the first 12.5 minutes, it will resume after the weather clears.

Regardless of weather conditions, it is the responsibility of all affected teams to monitor the status of their games and to appear with their team ready to play as scheduled by the Tournament Committee if and when games are restarted. Once a decision is made to suspend or cancel a game, that decision is final. Teams that continue to play or do not evacuate the fields and go to their cars may be suspended from the tournament.

If rain/thunderstorms force the Tournament Committee to cancel the DC SCORES Cup for June 23, it will be rescheduled for Saturday, June 30 - same format, same benefits, no refunds. The Tournament Committee will make a final decision and immediately inform team captains on canceling the June 23 date by Friday, June 22, at 5pm.
